## Other Relevant Experience

### Tutoring:

Worked with students to build off of previous visits to establish a realistic and instructional plan that fosters academic growth based on specific student needs. Worked with a diverse group of high school freshman and sophomores on various subjects.

### Summer Bridge:

As a "peer leader", managed a classroom of 15 incoming High School freshman. The program consisted of helping these students get use to the new high school environment and to create fun and social activities such as blindfold walks, scavenger hunts, Lego-block building and water balloon contests to demonstrate and teach critical school-life skills.
